Space Hire

lifework

Lifework offers a beautiful, sustainably designed, converted barn, adjoining award-winning Hartley Farm Cafe and Shop 5 miles from Bath, in the village of Winsley. This thoughtfully designed space features zones to accommodate various working styles throughout the day and week, making it an ideal venue for a range of events.

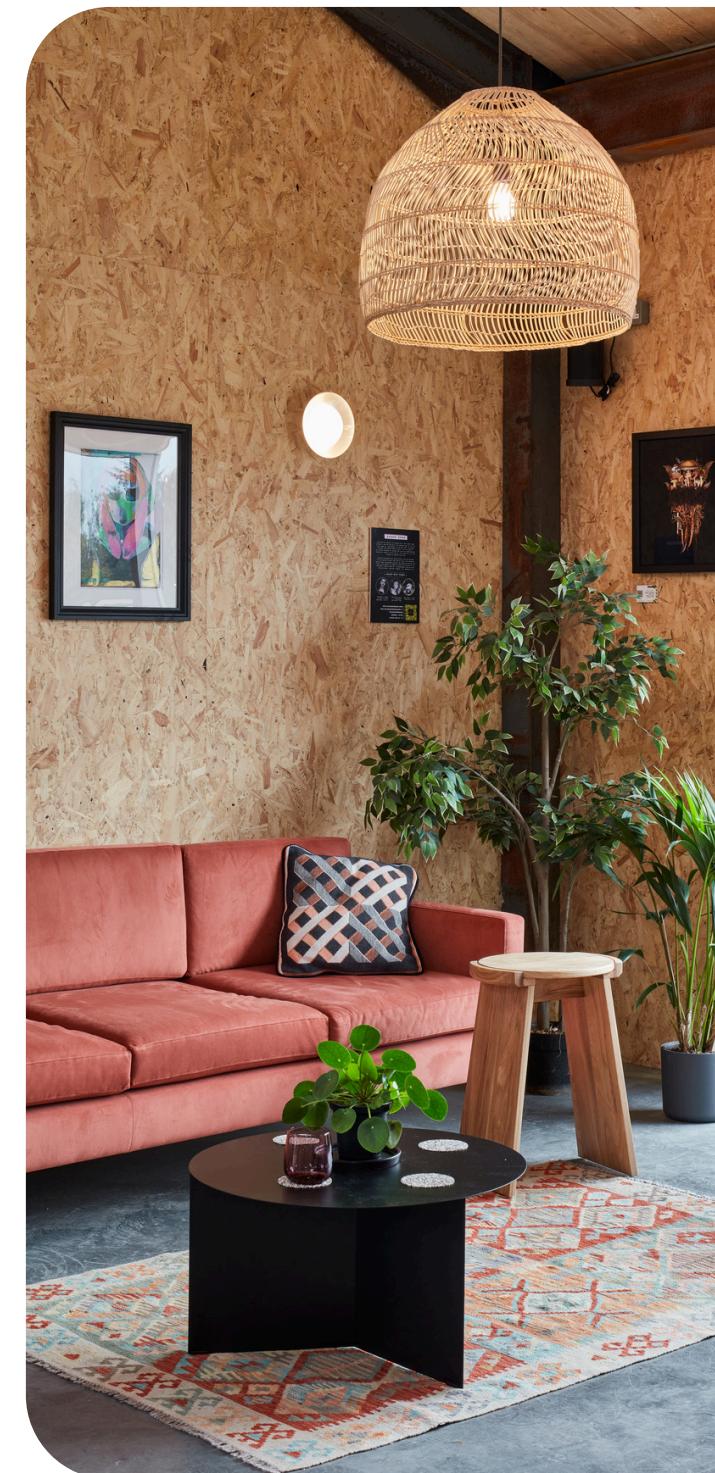

Lifework can host a variety of workshops, including creative writing retreats, photography classes, art and craft workshops, business launches, networking events, community gatherings, and inspirational talks, just to name a few. With mostly moveable furniture, the space can be reconfigured in multiple ways to suit the type of event and the number of attendees, ensuring a versatile and adaptable environment for any occasion.
